

Aluminium round and orientable spotlight, easy to install and designed for lighting commercial and working spaces.

## General characteristics

|                              |         |
|------------------------------|---------|
| Fixation                     | Ceiling |
| Type                         | III     |
| IP                           | 20      |
| included battery             | .       |
| Upwards Vertical orientation | ↻ 20    |
| Power                        | 5W      |
| Cutting size                 | ø45mm   |

## Material

|                |           |
|----------------|-----------|
| Body/Structure | Aluminium |
| Diffuser       | Glass     |

## Finish

|                |             |
|----------------|-------------|
| Body/Structure | Matt White  |
| Diffuser       | Transparent |

## Lighting characteristics

|                           |                 |
|---------------------------|-----------------|
| Light source included     | Yes             |
| Maximum ceiling thickness | 30              |
| Temperature               | 2700K           |
|                           |                 |
| LM                        | 500lm           |
| CRI                       | >80             |
| Degrees of light aperture | 25°             |
| Light direction           | Accent lighting |
| Energy classification     | G               |

## Driver

|                            |          |
|----------------------------|----------|
| Requires Driver            | Yes      |
| Driver embedded            | No       |
| Maximum driver information | 500mA CC |
